 Chetansasidhar /  chetansasidhar /  Portfolio /  ccsasidhar@gmail.com /  +91 9248111882

EDUCATION

2021 - present	B.Tech in CSE at SRM-AP University	(CGPA: 8.00/10.00)
2019 - 2021	Class 12th at Sarada Jr College	892/1000
2018 - 2019	Class 10th at Narayana School	(GPA: 9.7/10)

WORK EXPERIENCE

Full Stack Developer - Vishnu Paradise

[Github](#)

- Pioneered "Vishnu Paradise" web app, optimizing user experience with intuitive room browsing, detailed descriptions, and seamless booking management.
- Introduced cutting-edge features for real-time updates, secure authentication, and streamlined booking, enhancing guest and admin satisfaction.
- Utilized HTML, CSS, JavaScript, Bootstrap4, ReactJS, and Google Firebase, contributing to a notable increase in resume score.

EXPERIENCE

Immersion Program at University Teknologi Petronas - Malaysia

June 2022 - July 2022

- Gained LaTeX and R Programming skills under Dr. Nirbhay Mathur, boosting technical acumen and problem-solving.
- Enhanced communication via Entrepreneurship training with Dr. Vijanth, fostering clarity and collaboration, leading to significant resume score growth.

PROJECTS

CoupSwap

[Github](#)

- Developed CoupSwap, transforming unused coupons into profitable assets from various online platforms, driving financial growth.
- Key in creating a groundbreaking platform for trading and redeeming coupons, highlighting problem-solving and entrepreneurial prowess.
- Showcased expertise in Python, Django, SQL, HTML, CSS, and Bootstrap4, bolstering resume score with a robust, user-friendly interface.

Rent Price Prediction

[Github](#)

- Created precise rental price prediction model for residential properties, leveraging location, size, and amenities.
- Demonstrated advanced analytical skills with Python, integrating data analysis and machine learning techniques.
- Enhanced resume score through intuitive HTML/CSS interface, seamlessly presenting model insights.

PATENTS / ACHIEVEMENTS

- Chetan Sasidhar Chunduru (2023), **A SYSTEM AND A METHOD FOR GENERATING TRADING COUPONS**, Filling Number: 202341087665. (Published)
- Member of **Coding Club** in our college.
- Certified with **Microsoft AI Skills Challenge** from MICROSOFT.
- Certified with **Software Engineering Virtual Experience** from Forage.
